Star Sign Love Tips

Hint......this section is quite long...if you need to check Star Sign dates then please scroll down to How to Woo him

You and your **Aries**

DO

1. **Step right up and catch your Aries's eye. Let them notice what a prize you are and then let them try to win you.**
2. **Take a bold approach, your Aries will appreciate your forwardness as well as your independent spirit.**
3. **Expect fun: get ready to enjoy an always energetic and ever-so-romantic courtship.**

DON'T

1. **Cling too tightly or chase too hard.**
2. **Be too critical of them or their friends.**
3. **Try to get some extra attention by flirting with others or by bringing up past flings**

You and your **Taurus**

DO

1. **Be ready to share quality time with your Taurus, cuddling will always be a favourite.**
2. **Take every opportunity to give subtle but sincere compliments.**
Your Taurus will accept and appreciate the confidence boost.
3. **Be supportive of their career choices and the day-to-day work that they do.**

DON'T

1. Be impatient -- Taurus will absolutely take their time.
2. Act stubborn -- once the Taurus mind is made up, don't try to change it.
3. Be wishy-washy, if you aren't sure you want a serious relationship, don't start one with a Taurus.

You and your Gemini

DO

1. Be elusive, seductive and always slightly out of reach. A Gemini enjoys a chase.
2. Be well-read, well-informed and a very good listener.
3. Be talkative, your Twins will engage you in hours of fascinating and entertaining conversation.

DON'T

1. Question everything that's going on in your Gemini's mind. They will not appreciate an intrusion into their complex thought process.
2. Be a bad conversationalist or a bad listener. Gemini becomes bored easily, and may not want to save the conversation for another time.
3. Act too surprised if they bring a Scrabble board, some crackers and cheese, and a novel into bed with the two of you.

You and your Cancer

DO

1. **Open your heart and they will show you how to give and receive emotionally, trust completely and find security in a relationship.**
2. **Learn to enjoy quiet, private evenings at home.**
3. **Show your Cancer how much you appreciate the emotional richness of your life together.**

DON'T

1. **Expect to be the boss of a Cancer; they won't be stepped on.**
2. **Make fun of your Cancer, even if you think you're being gentle.**
3. **Be too pushy at first or too rough later on. Your Cancer will lash out or shrink away from this kind of treatment.**

You and your Leo

DO

1. **Make sure that you tell your Leo often how bright, beautiful and golden they are.**
2. **Learn to be the submissive one at times, and learn to like it!**
3. **be willing to give your Leo the spotlight and enjoy and encourage your Leo's sense of humour.**

DON'T

1. **Ignore your Leo or forget that you had plans, unless you don't want to see them any more.**
2. **Criticize a Leo in public as this is a major breach of trust.**
3. **Try to tell a Leo what to do, and don't try to take charge.**

You and your Virgo

DO

1. Be patient and accepting of the Virgoan attention to detail.
2. Be a friend and an intellectual companion, as well as a lover.
3. Try to remain at ease if your Virgo criticizes or over analyses you.

DON'T

1. Try to feed your Virgo something they don't like. They are very fussy about the kinds of food that they will eat.
2. Allow yourself to get lax or sloppy at home. Your Virgo's sense of order must be maintained so they can relax.
3. Expect too much, if you want complete and total attention at all times, you may be disappointed.

You and your Libra

DO

1. Indulge your Libra with little extravagances and constant compliments.
2. Strive to keep circumstances harmonious. Libra, symbolized by the Scales, appreciates it when things are balanced.
3. Ask your Libra's opinion about things that are going on in your life. Your Libra will like to have an equal say about things.

DON'T

1. Expect your Libra to make snap decisions, Librans like to weigh alternatives and

can be indecisive.

2. Be inflexible or without spontaneity.

3. Mention to your Libra's laziness, self-indulgence or arrogance.

You and your Scorpio

DO

1. Share all: Your Scorpio will want to know all your hidden desires and will probably want to fulfill them.

2. Look as scrumptious, but natural as possible whenever you're in your Scorpio's presence.

3. Let go, you will enter into a deeper, more intense relationship than you might have imagined possible.

DON'T

1. Even think about arousing a Scorpio's jealousy, either intentionally or thoughtlessly.

2. Tease a Scorpio about their performance in bed. Scorpions are renowned for their sexual prowess, and they usually are quite proud of their reputation.

3. Accuse a Scorpio of toying with your emotions. They will take it as a serious insult.

You and your Aquarius

DO

1. Become intimate with your the mind of your Aquarius before their body. They will captivate you mentally and intrigue you completely.

2. Surprise your Aquarius,they love surprises -- the more original, the better.

3. become comfortable talking about a wide variety of different topics and appreciate your Aquarian's devotion to special causes and ideals.

DON'T

1. Try to be the only thing in your Aquarius's universe. They need space to explore, and time to devote to the world at large.
2. Try to change the Water Bearer's mind, even if you don't agree with their viewpoints on some issues.
3. Attempt to influence this Sign's fashion sense, Aquarians like to dress differently from the crowd.

You and your Pisces

DO

1. Learn how to communicate a thousand expressions of love and all without saying a word.
Talk with your eyes to Pisces.
2. Offer support to your Pisces and learn how to ground them without dragging them too far down to earth.
3. Enjoy good art and fine wine -- your Pisces will love you for it.

DON'T

1. Reprimand a Pisces too harshly for being a daydreamer instead of a doer.
2. Treat your Pisces too casually; don't toy with them or let them see you play the field. A Pisces does not like this behavior.
3. Stand in the way of their artistic impulses -- this is a truly creative Sign.

You and your Capricorn

DO

1. Be understanding of your Capricorn's devotion to work and desire to succeed.
2. Be patient and understand that good things come to those who wait. Capricorn, once ready, will commit to you completely.
3. Always mean what you say and do what you say you will do.

DON'T

1. even think about making your Goat look stupid in public! they hate being humiliated, especially in front of others.
2. Go back on your word. This Sign appreciates integrity and hates empty promises.
3. Be too wildly extravagant with the purchases you make, this Sign does not approve of frivolous spending, even on their behalf.

You and your Sagittarius

DO

1. Give your Sagittarius the emotional and physical freedom that they need.
2. Appreciate a good practical joke, a roller coaster ride or a hike through a forest... anything fun or unusual.
3. Enjoy all sides of the relationship, Sagittarius can be your playmate, your inspiration and your best friend.

DON'T

1. Tell a Sag that you're right and they're wrong. They like to feel that they have

the best answer to any question or situation.

2. Try to keep your Sagittarius in a small, confined area, no matter how plush it is.

**3. Be impatient with the relationship, Sagittarians are independent, and will likely
not fall in love quickly.**

How to Woo him

Aries mar 21 - apr 20

He is a volatile combination of deep sensitivity and an inflated ego.

You can make your way into his heart by soothing, mentally stimulating and challenging him. Remember, however, to never challenge or threaten his masculinity.

The best way to woo this man is to care for him deeply and share his dreams. Showing your commitment and affection is very important. Fight along with him for all the causes he is passionate about and do not dampen his spirit by sarcasm or cynicism.

Taurus apr 21 - may

He loves the good things in life; after all, it was your soft skin and silky hair that caught his attention in the first place. He will appreciate a well-cooked gourmet meal, a tastefully done home or office and your homely creative skills; it will convince him you have a future together. Do not forget to be demonstrative of your affection. He demands dedication and sincerity and does not like arguments, displays of anger or your flirting with others. However, romance will bring some excitement into his otherwise routine and monotonous life.

Gemini may 21 - june 21

A Gemini is intelligent, intellectual, makes friends easily and has a colourful past. The best way to woo him would be to be elusive. Put a high premium on independence and be casual about making a commitment.

If he is interested, that will get him thinking

A sense of humour and a mental rapport is what keeps him ticking. It is very important for you to have your own identity, hobbies and activities. He likes a companion who does not make too many emotional demands and can communicate well. Breathing space in a relationship is very important for him.

Cancer june 22 - july 23

It is very important for him to trust you; opening up to someone does not come naturally to him. If you are emotionally balanced and good at tackling problems, you will end up winning his trust. The best way to handle this man is to give him a lot of affection and care. They need a warm, demonstrative relationship and continuous reassurance about how much they are loved. Be patient, sympathetic and understanding. Even when he is not very communicative and understanding, keep the channels of communication open.

Leo july 24 - aug 23

A Leo man will admire a woman who has a strong personality, who holds her ground, who has breeding and class and is not overpowered by his charm. To sustain his interest, you have to make him feel he is the most important and interesting thing in your life; he does not like to take second place. You have to admire him, adore him and respect him. Pamper his ego. Never try to outshine him.

Virgo aug 24 - sep 23

Love and romance are not the first priority in his life; he will accept it if it is part of the normal course of things and develops gradually. He is reserved and serious. People think he is critical and a perfectionist because he can clearly see their flaws and shortcomings.

On the positive side, he is courteous and gentle. He will put your wishes first. He is always around if you need his help. His love is expressed through gestures, not words.

Libra sept 24 - oct 22

You have to be very careful with your Libran man -- too much eagerness on your part will make him back away. The key lies in making yourself irresistible and keeping the romance alive. Do not let your romance seem too serious -- the Libran man prefers a light touch. If you want a successful relationship with him, adopt a patient, commonsense approach. You need to vibe mentally if the romance is to last. Communicate well and let your intelligence, knowledge and good taste show discreetly.

Scorpio oct 23 - nov 22

A Scorpio's emotions and passions are overpowering at times, so the situation can become volatile. He is not the easiest person to understand or communicate with. His feelings run deep, his emotional make-up is complex and he does not believe in half-measures. He believes in a relationship that lasts forever. He does not hold back and demands a similar commitment from his loved one.

Sagittarius nov 23 - dec 22

He is a blunt, outspoken person who can say something he does not mean and unknowingly hurt a sensitive soul. He loves his freedom and hates to be tied down in any way. You have to get to know him without getting on his nerves or disturbing the flow of his life and social engagements.

He is sincere, interesting, optimistic, cheerful, flirtatious and full of energy.

Capricorn dec 23 - jan 20

He is serious, silent and stiff and you may find it difficult to cut ice with him in the beginning; remember, a relationship with this man evolves over time. He will seem reserved and introspective at times. He is not demonstrative or obviously affectionate -- his feelings and sentiments are buried under a tough exterior. You have to be patient. You will find sensitivity and emotion beneath that stiff exterior.

Aquarius jan 21 - feb 20

The best way to an Aquarian's heart is to be his best friend. Share his wacky sense of humour. His analytical nature and cerebral approach may be a dampener at times, but you will get used to it. To communicate with an Aquarian, you have to understand him and be equally intelligent and bohemian. You have to be exceptionally well-informed and sharp.

Pisces feb 21 - mar 20

Give him your trust, faith and commitment. Be his emotional anchor and you will live happily ever after. He is gentle, psychic and sensitive, so protect him from harsh realities. The best way to woo him is to provide an emotional cushion. He idolises the person he loves and cannot see her negative aspects.
He craves emotional warmth so be affectionate.

Love Symbols

LOVE KNOTS

Love knot is yet another symbol of Valentine's Day. Representing love that will last forever, love knots are actually a series of winding and intertwining loops that have neither a beginning nor an end.

Valentine's Day symbol of Love Knots traces its origin to early Arab traditions. Young Muslim women living in strict households used to express love to young men through secret messages woven through the knots of a carpet. Lovers read the messages by turning the knot around and around.

The tradition of sending messages through the knots gave birth to the concept of love knots that exist even to this day.

CUPID

Cupid, the winged and mischievous little angel pierces the hearts of his victims with his bows and arrows. The Greeks called him Eros whereas to the Romans he was known by the name of Cupid, the son of Venus. Cupid is thought to be responsible for people falling in love.

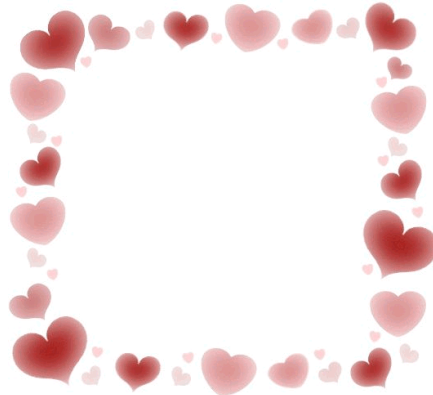

The arrows signify desires and emotions of love, and Cupid aims those arrows at Gods and Humans, causing them to fall deeply in love.

Cupid has always played a role in the celebrations of love and lovers.

Cupid is the most famous of Valentine symbols.

HEARTS

**Nothing symbolizes love more completely as does the heart.
And for a romantic person there is no other symbol
as important as heart.**

**Heart signifies the life and if you give your heart to someone it means
to handover to her or him one's existence.
Heart pierced with arrow forms the most important
symbol of Valentines Day.**
